

TWO YEAR CONDENSED CLASSROOM PROGRAM

for

JEE (Advanced), 2021

(For XI studying students)

Synchronized study of XII Boards + JEE (Main & Advanced) + Other Competitive Entrance Exam etc.

FIITJEE prepares you for JEE Main & Advanced in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute. We are the only institute whose Students do well not only in JEE Advanced but also in JEE Main, XII Boards & Other Engineering Entrance Exams.

The Joint Entrance Examination (Advanced) is now being conducted through online mode i.e. in computer based test mode from 2018. All future JEE Advanced exams will be conducted in Computer based Test (CBT) mode only.

A decision has been taken at the level of the IIT Council to, inter alia, improve the gender balance in the undergraduate programs at the IITs to 17% in 2019-20 by creating supernumerary seats specifically for female candidates, without any reduction in the number of seats that was made available to non-female candidates in the previous academic year (i.e. academic year 2018-2019).

In another major change, the Joint Entrance Exam, 2019 (JEE Main) was conducted twice in a year (January and April) through Online (Computer Based Test) mode only. Newly Constituted National Testing Agency (NTA) has started conducting JEE Main which was earlier conducted by CBSE.

Program Focus & Objectives:

Excellence in JEE (Main & Advanced): Emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process which makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts for a quantum jump in their performance in JEE. FIITJEE's **Two Year Condensed Classroom Program** has been designed for those students of class XI who could not join Two Year Classroom Program for some reasons. The Program is suited for only those students who can cope up well with both IIT-JEE training and school studies at this juncture. The main features of this program are as follows:

- ❖ Entire course would be covered in **5 (five) phases**.
- ❖ Phase - I (**154 hrs.**) has been designed in such a manner that all important topics in the JEE syllabus of Class XI can be covered to a large extent before the examination of class XI.
- ❖ Remaining phases (II, III, IV & V) having **420 hrs.** In total to be covered after class XI exam. **The second phase will commence from last week of March / first week of April, 2020.**
- ❖ Performance of students is monitored by series of tests and quizzes.
- ❖ The Admission to the above program is made through an Admission Test in which students performing to a certain standard are acknowledged for their potential by award of scholarships (Tuition Fee Waivers).
- ❖ **Entire Course would be over by December, 2020.** The students of Two Year Condensed Classroom Program will also join all the Tests of One Year All India Test Series for several tests on the JEE(Main & Advanced) pattern to develop sound examination temperament.

Course Structure:

- ❖ Entire course is divided into **5 phases** followed by special classes of Rank Improvement Program.
- ❖ **Extensive coverage of additional topics for JEE (Main).**
- ❖ Each phase has exhaustive quizzes and Phase Tests (**both on JEE Main & JEE Advanced pattern**).
- ❖ Phase Tests are followed by **Test Analysis Sessions**.
- ❖ Right mix of classes and problem solving.
- ❖ Comprehensive & thoroughly revised study material.
- ❖ Periodic tests on the latest JEE pattern.

- ❖ Regular feedbacks & Test analysis sessions.
- ❖ Home assignments / Workbook.
- ❖ **Chapter Practice Problems (CPP):** On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty members and then would be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental conceptual knowledge, which is very crucial for getting Top ranks.
- ❖ **All India Internal Test Series (AI2TS)** - These test make students acquainted with a diverse set of examination patterns and alongside confer them with their National level performance ranking in the respective patterns. Tests are based on the common minimum syllabus of all classroom / School Integrated Programs.
- ❖ **Class Learning Improvement Program (CLIP):** Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher Rank / performance in JEE, & Other Engineering Entrance Exams.
- ❖ **Success Potential Index (SPI):** We are the only institute in India having the capability to predict Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Success Potential Index (SPI).
- ❖ Rank Improvement Program (RIP) of about 40 to 50 hrs.
- ❖ **Additional help for XII Board Exams.** Practice Mock Test Papers for XII Board Exam.
- ❖ **JEE Archive:** Question Bank with Answers of previous year JEE (Main & Advanced) papers.
- ❖ **Grand Masters Package (GMP):** An exclusive fundamentals search based package of 1500 Top quality problems on JEE pattern testing your understanding of the subject. It covers all aspects of JEE problem solving Techniques.
- ❖ **All India Computer Based Test Series (AITS-CBT)** to be conducted at the National Level on the present & expected pattern of both JEE (Main) & JEE (Advanced).
- ❖ **Online Test Series for JEE Main + JEE Advanced + BITSAT + KVPY** through www.mypat.in : myPAT, is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. myPAT empowers you with your own Subject Concept Coverage Meter, Performance Meter and Success Meter. It also enables higher learning outcome, building exam temperament & readiness and ensures success in competitive exams.

With myPAT - You Can

- Take Subject Concept Tests, Full & Part Online Test Series.
- Experience simulated test environment for your preparation.
- Achieve your goal and claim the glory.
- Gain insights through in-depth analytics & detailed score report.
- Benchmark yourself amongst successful aspirants.
- Identify improvement areas and remedial suggestions.
- ❖ **Additional help for Other Engineering Entrance Exam.**
- ❖ **Open Test for JEE (Main & Advanced)** to be conducted in **more than 65 cities**. Student will receive their score, percentile, All India Rank, analysis of result and suggestions for improvement.
- ❖ Dedicated academic operations team provides feedback at any point of time apart from scheduled parent teachers meetings.

Duration:

Classroom contact hours of approx. 574 hrs: 154 hrs. In XI & 420 hours in XII. However, the actual total input provided to the student is **approx. 600 hours** which includes:

- ❖ Doubt clearing classes
- ❖ Rank Improvement Program
- ❖ Phase Tests and Tests of All India Test Series
- ❖ Test Analysis Sessions etc.

Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process. At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. We train our students in such a way that they are ready to scale IIT-JEE successfully irrespective of the pattern. What is required is total dedication and hard work.

Excellence in JEE Main, JEE Advanced & Other Competitive Entrance Exams

This Program judges you only once and then takes the responsibility of navigating your career for the entire curriculum.

The above program has two options to choose from:

Regular Week Contact Program:

Classes shall generally be held **three to four days a week**, for four hours each time. The Classes are usually conducted after school hours (i.e. from 3:30 p.m. to 7:45 p.m.). Early completion of the Course enables all students to cope up well with the last month's pressure of school besides giving adequate time for revision and consolidation of the knowledge and skills acquired at FIITJEE and required for being successful in JEE.

Weekend Contact Program:

Classes shall be held only on Saturdays and Sundays (except during vacations, during which the frequency of classes may increase), **all three subjects shall be taught for two hours each on each day of class** (of course with appropriate breaks).

Students will be having classes on Saturday mornings too.

Classes shall be held on Saturday & Sundays as per the following schedule*:

On Saturday		On Sunday	
1st Class	10:30 a.m. to 12:30 p.m.	1st Class	09:30 a.m. to 11:30 a.m.
2nd Class	12:45 p.m. to 02:45 p.m.	2nd Class	11:45 a.m. to 01:45 p.m.
3rd Class	03:30 p.m. to 05:30 p.m.	3rd Class	02:15 p.m. to 04:15 p.m.

* Subject to change if required.

Note: Not all Program options are available at all FIITJEE centres. Kindly contact your nearest FIITJEE centre for more details.

Do not expect miracles or wonders from FIITJEE. Miracle is inside you. We are here to give you the best possible support. Inputs that you will receive from FIITJEE will be better than that received by all our earlier Classroom Program students as every year we try to put in better efforts.

Two Year Condensed Classroom Program
